

DPT031: Something's Different #1.5

Across

- 1** Date that Florida reptiles represent with one verticle scratch mark
- 16** Live inside a 90s health nut's breakfast
- 17** Hard-to-notice muscle car add-ons
- 18** "My parents named me after a Chinese board game and it's my duty to look after R&B star Macy"
- 19** Strange attribute of Netflix's competitor Hu
- 20** Dilemma that a cannibalistic cop might experience when encountering a lawbreaker
- 21** Buy a spare with a spare, perhaps
- 24** "Hey, look!" archaically
- 25** Lines of shrubs that border a run-down neighborhood
- 28** Actress Merman gets noticeably older whenever she uses molly
- 29** Keeps an elite school's funds out of the sun
- 30** "Gonna cost ___ arm and a leg" (slightly shortened text)
- 31** ___ dieter a scarf (makes some warm clothing for someone going off carbs and sugar)
- 32** What someone who's against a certain scouring pad company wants to do
- 35** Russia pre-1991, when they used upsilons instead of 'U's
- 36** The stack of defunct home video releases I'm holding
- 39** Mecca pilgrim ignited a particularly thick-headed version of Prez 43
- 40** Opening line of "Ode to a Heartbroken Amtrak Train"
- 41** Dance instructor's half-hearted suggestion to help an insomniac student get tired before bed
- Down**
- 1** "Hey, green psychotropic drink, you need to take Radiohead's Yorke to court!"
- 2** "When I laugh online I prefer to type the name of comics legend Stan ___, which confuses my friends"
- 3** Tell an untruth with hearty insincerity
